

**CLOUD****SCREEN™**

# Presentation Platform

## by Interactive Display Systems

### Increase Productivity with **CLOUD SCREEN™**

CLOUD SCREEN™, an IDS exclusive, is a powerful software platform that simplifies the integration of content and media in one display platform. Draw content from any source for simultaneous display on monitors, computer screens, kiosks and more.

Make it interactive with innovative touchscreen technology from IDS that streamlines workflows and increases engagement. Manage and configure content for displays anywhere - on the production floor, in public spaces, with kiosks and more!

### Flexible to Fit Your Needs
