

# INTERACTIVE GLASS

## by Interactive Display Systems

### Increase Customers & Sales

Interactive glass is a revolutionary way to add touch control to any window, monitor or TV in your workflow.

Ever struggle with getting your message seen and heard at your business? Do you wish you could convert foot traffic to shoppers and buyers when you're closed?

Looking for an engaging lobby display for visitors and tours? Need a robust touchscreen solution for your conference room?

Want to add interactive menus and games to your hospitality or food service business?

Our interactive glass technology can do all this and much more!

### Transforming All Industries

Retail &  
Sales

Corporate &  
More!

### Additional Benefits
